DIXON, ILLINOIS WEDNESDAY AUGUST 27 1913

Dixon Daily Telegraph Thirtieth Year No. 203

## DIXON WANTS STOVER BRANCH

PROMOTERS WRITE J. FRED SMITH OF STOVER ENGINE WORKS

## REMOVAL RUMOR DENIED

First Reported Company Offered Inducement to Leave, but Such Not Case

Freeport Bulletin—A report gained some circulation in Freeport today to the effect that overtures to move their plant to Dixon had been made the officers of the Freeport Engine works. Such, however, is far from being the case, although Dixon promoters have recently written J. Fred Smith of the local company, asking him whether the company cared to branch out. It seems there is a large unoccupied foundry at Dixon, the owners of which are desirous of securing tenants.

It was stated this afternoon by a company official that no attempt had been made to lure the company proper away from Freeport. More than 300 men are employed here and the monthly pay roll is said to be in the neighborhood of \$25,000.

The names of the Dixonites who are seeking to have the local company branch out, have not been made public but it is reported that business and commercial men of that place are behind the project.

The Freeport Engine Works is one of the most thriving industries in Freeport and high wages are paid to skilled mechanics. It has not been announced whether the local company, with its ever increasing business, will establish a branch at Dixon, but it is not believed that this step will be taken.

In the report circulated in Freeport, it was remarked that the officers of the company were dissatisfied with the police protection given them. There has been a strike on, and not all of the men have yet returned to work. The company officers, however, are well pleased with the protection of the police department and have no complaint to make on this score.

## BABE IS FOUND DROWNED IN A PAIL OF WATER

CORONER CALLED TO VICTOR TOWNSHIP TO HOLD INQUEST OVER THE REMAINS

DeKalb, Aug. 26—Coroner Wright was called to Victor township early this morning to hold an inquest on the remains of Edith Anderson, the 11-month-old daughter of Mr. and Mrs. Richard Anderson of Victor.

The babe was found drowned in a pail of water in the kitchen of their home last evening. Mr. and Mrs. Anderson went into the orchard of their home, only a few steps from the door yard to pick a few apples from the ground and were not gone ten minutes.

In their absence the babe evidently attempted to investigate the pail of water standing on the floor and lost her balance, falling into it being found standing on her little head in the pail. A verdict of accidental death by drowning was returned.

## GRAND DETOUR BABY DIES.

Mr. and Mrs. Otis Jones, who live on the Ridge road, about three miles above Grand Detour, are mourning the loss of their three-months-old baby boy, a twin, who died this morning. The child had ill for many weeks. Friends and neighbors extend heartfelt sympathy to mourning parents, brothers and sisters.

## TO ATTEND RACES.

Mr. and Mrs. Leo Dysart and party will leave Friday morning for Elgin, where they will watch the auto races. Their son, Wilson Dysart, is now in Elgin visiting at the Hawley home and watching the speed kings at practice.

## ASK TO HAVE HART WILL SET ASIDE

WIDOW AND CHILDREN OF LEVI HART WANT PROPERTY DIVIDED.

## WILL IS EXTRAORDINARY ONE

Property Held in Trust and According to Will Would Be for Many Years.

Acting for the widow of the late Levi E. Hart and her two children, Leon J. Hart and Mrs. Sibyl L. Dinwiddie, Attorney John P. Devine and Attorneys Brooks & Brooks have filed in the Lee county circuit court a bill asking that the will of Mr. Hart be set aside and his estate, valued at \$40,000, be divided between the three heirs, according to law. The will is peculiar in its provisions and an effort will be made to have it set aside.

Under the terms of the will the property of the deceased was placed in trust, with Attorney Henry C. Warner as trustee. The property was to be held in trust during the widow's life and fifteen years thereafter and at the expiration of that time was to be shared equally between the two children, if living. During the life of the widow the income from the estate was to go entirely to her and for fifteen years after her demise the income was to be equally divided between the two children. Mr. Warner, as executor and trustee, is made defendant in the suit.

## KENT INVESTIGATES CRUELTY CHARGES

KILLS HORSE SUFFERING FROM MISUSE—CHARGES DIXON MAN.

Humane Officer W. G. Kent last evening destroyed a horse belonging to Ambrose Ciochette of Nachusa avenue, the animal being pronounced unfit for service. Ciochette claims he let a local colored man use the animal and he returned it in a starving condition after a week's service. The officer is now investigating, and if he finds sufficient evidence to warrant the action the colored man will be arrested and tried on a charge of cruelty to animals.

## ROAD COMMITTEE COMPLETES TASK

HAS SUCCEEDED IN CUTTING DOWN MILEAGE OF STATE IMPROVED ROADS.

The state aid roads committee of the board of supervisors completed its inspection of the roads of the township with a trip into Palmyra yesterday and today was spent in going over the map of the county and readjusting and remarking the highways. A great deal of "trimming" was necessary because more than the allotted number of miles of road had been marked out for improvement, but at today's session the total mileage in the county was reduced to 246. Many changes have been made from the plans outlined by the Dixon and Amboy Commercial clubs.

## RELATIVE OF DIXONITE IS DEAD

Mrs. J. H. Bachman of 911 Hennepin avenue has gone to Davenport today to attend the funeral of her great aunt, Mrs. Sarah Stockwell, the widow of Ira Stockwell, a pioneer lumberman. The only child surviving is Mrs. Arthur Clarke of Dallas, Texas. Mrs. Stockwell was nearly 94 years of age. She was related to a number of Dixon families.

## VAN PETTEN CREDITORS MEET SATURDAY

The first meeting of the creditors of A. G. VanPetten will be held at the office of Referee Henry S. Dixon in this city Saturday afternoon. It is rumored that surprising developments will take place then.

## TWO NEW DAMAGE SUITS ARE FILED

SUE LEE CENTER MEN FOR \$5000 FOR THE DEATH OF JOHN H. LONG.

## MEXICAN SUES FOR LOST FOOT

Saverno Rento Starts Suit for \$5000 for Loss of a Foot in I. C. Accident.

Two new trespass suits were filed in the circuit court today, the damages in each case being \$5000. Amanda E. Fassett, executrix of the estate of the late John H. Long of Amboy, through Attorneys Brooks & Edwards, asks judgment against Christ A. and Samuel Ulrich of Lee Center, alleging that Mr. Long came to his death from injuries alleged to have been received when an automobile driven by the two defendants struck the deceased in Amboy.

Saverno Rento, a Mexican, through Brooks & Brooks, has started suit against the I. C. railway company for \$5000 damages, claiming to have lost a foot while in the employ of the company on its tracks north of this city.

## NEW YORK LOSES IN CANADIAN COURT

THE STATE WAS RULED OUT BY JUDGE GLOBENSKY TODAY.

Sherbrooke, Canada, Aug. 27—Special to Telegraph—New York state was ruled out of court here today in a dramatic preliminary skirmish with the lawyers for Harry K. Thaw. Judge Globensky, hearing arguments of Thaw's counsel to discontinue the writ of habeas corpus proceedings, refused to entertain the objections by Hector Verrett, representing New York.

## FREE PASSES ON RAILROADS WILL SOON BE HISTORY

BIG RAILROADS PROPOSE TO PUT STOP TO PASSES FOR EMPLOYEES IN EVERY BRANCH OF SERVICE

Officers of all the big railroad systems have joined in a move further to eliminate the "deadhead." This time, it is asserted, if the pass evil is wiped further off the slate, the railways will be richer by fares paid by some 3,000,000 persons, families of employees. The plan now is to confine the issuance of free transportation to employees actually in the discharge of their duty, that is when traveling on company's business.

There is no sound reason for giving passes to railroad employees, say the managers. The practice has gradually grown until it has come to be looked upon as a right of the men. At one time it was urged that railroad men were not as well paid as persons in other lines of endeavor, and merited passes as part of their compensation. The continuous advances in wages and salaries, however, has changed conditions, say the officers, and now railroad employees form the silk stocking branch of the country's employed class. At present there are about 1,500,000 railway employees in the country and their families swell the figures to probably 3,000,000 persons calling continuously for free transportation all over the country.

It is figured that for the present the move will be to abolish entirely the custom of giving passes to members of employees' families and also wiping out requests for free tickets over the lines of other railroads. The plan will not be confined to trainmen, shopmen or any other branch of the service, but will include the clerks and officials as well.

## STARS WON EASILY FROM DEER GROVE

LOCALS FOUND THE PICKING EASY AT HOME COMING CELEBRATION.

## BROWNS GO TO STERLING

Will Play There Both Sunday and Monday—Rockford Here Sunday.

The Dixon Stars played rings around the Deer Grove team at the home coming celebration at that village yesterday afternoon, winning in a canter, 15 to 7. Bob Woodyatt pitched for the Stars and Joe Vaile umpired. Because of the ease with which the Stars outplayed their rivals, they toyed with them during the entire game.

**Browns to Sterling.**  
The management of the Dixon Browns has made a change in the arrangements for the game Sunday and Labor day, and instead of going to Morrison Sunday and to Sterling for two games Monday, the team will play in Sterling Sunday and Monday, but one game being played on the holiday.

**Rockford Here Sunday.**  
The Dixon fans will not be without amusement Sunday, however, as the Stars will meet the fast Rockford Athletics at Athletic park at 2:45 p. m. It will be remembered that the Rockford team played here May 18 with Edwards, a former Dixon Brown, in the lineup. Rockford won the game, 3 to 2. The Stars feel that they can avenge this defeat and accordingly will put up their very strongest battle front.

**Tracey Has Record.**  
John Vaile this morning received a letter from Grover (Rip Weimer) Tracey of this city, first baseman of the Oshkosh team of the Wisconsin-Indiana league, in which Rip states that he is the only player on the team who has not missed a game this season. He is suffering with a "strawberry," due to sliding, but as the team has only four game lead in the race he says he is going to stick to the game as long as he can. Tracey will bring four or five of the Oshkosh players to Dixon for a barnstorming trip as soon as the league season is over, on Sept. 14.

## AUTOS WILL PARK AT THE ASSEMBLY

CLAM BAKE COMMITTEE MAKES FURTHER ARRANGEMENTS FOR CELEBRATION.

The Elks' clam bake committee has arranged for a parking place for automobiles at Assembly park next Monday, and accordingly patrons of the clam bake will be able to leave their cars there, where they will be watched. The parking of autos at the Assembly park has made it necessary to provide transportation from that side of the river to the island, and accordingly boats will be run from the west dock, which is near the Assembly gate, as often as is necessary. Plenty of boats have been secured to give excellent service during the day, and the transportation will be provided from the south side docks every few minutes after 9 o'clock in the morning, at which time the grounds will be open.

## HELD HEARING ON GALENA AVE. PAVEMENT

A public hearing was held at the city hall Monday afternoon on the proposed North Galena avenue pavement from Fellows street to the Illinois Central tracks. No objectors appeared and the board of local improvements accordingly adopted a resolution adhering to the scheme for the improvement.

## STERLING AUTO STOLEN

The local officers were asked this morning to watch for a Cole automobile, No. 38875, which two boys are alleged to have stolen from Sterling. The machine did not go through Dixon, however.

## WARDEN CLAVIN SERVES NOTICE

DISTRICT FISH COMMISSIONER TELLS RAILROADS NOT TO ACCEPT FISH.

## INSTRUCTS HIS DEPUTIES

No Commercial Fishing in Rock River and Deputy Warden Are Ordered to Watch Express and Railway Companies.

Sterling Gazette: District Game & Fish Commissioner A. M. Clavin has notified all the railroad and express companies not to accept fish caught illegally, as there is no commercial fishing in Rock river. All deputy wardens in this district have been instructed by Mr. Clavin to watch shipping closely and should any fish be confiscated, the railroad and express companies become equally liable with the person who made the catch. This is also true of meat dealers and others handling fish. Instructions have also been issued by Mr. Clavin to his deputies to prosecute basket peddlers selling fish without a license.

## Watching Hunters.

Orders have also been issued to watch all hunters and protect game, especially prairie chickens. As a result hunters who are in the habit of going out at night and shooting the half-grown chickens at daybreak are liable to be jerked up suddenly to pay large fines.

## Eight Deputies Named.

Eight deputies are now working in this district under Mr. Clavin who, however, declines to give the names or the part of the district in which they are working. An effort is being made to educate residents of this district through the newspapers and with the vast amount of material furnished by the fish and game commission and published lately no one will be able to plead a lack of knowledge of the law if captured for violations.

## FAMILY THEATER CHANGES HANDS

GEORGE SLOTHOWER WILL MANAGE VAUDEVILLE HOUSE AFTER LABOR DAY.

George Slothower, of the firm of Slothower & Haas, has leased the Family theatre from Mr. and Mrs. Charles Plein, owners, and after September 1 will conduct the popular vaudeville house for a year. The new manager, who has had much experience in the amusement world, will retain his interest in the Princess theatre, but will devote his entire attention to the new enterprise and he proposed to give the people of Dixon the best available attractions.

Commencing Labor day he will give programs of two high class vaudeville acts and three reels of pictures nightly, the pictures to change every day and the vaudeville Mondays and Thursdays. The opening program under the new management will include the Empire State Quartet, four clever singing comedians, who devote the time allotted to them to real entertainment by harmony and solo singing, and as an extra attraction the dainty Keough Sisters in songs and dances will complete the program.

For the last half of the week an equally well balanced program has been arranged. Belzac & Baker will demonstrate their popular violin and piano specialty, coming direct from New York for a tour of the Great Pantages circuit of western theatres. This will be their only appearance in this part of the country. Sommers & Morris will complete the bill for the last half of the week. Miss Morris is a dainty artist and exceedingly clever and her partner, Mr. Sommers is the writer of the songs they offer during their act.

## DAUGHTER BORN

Mr. and Mrs. H. M. Lewis of route 6 have a little daughter, born yesterday.

## NORTH SIDE SCHOOL ELECTION TOMORROW

WILL VOTE ON GEO. C. LOVELAND'S OFFER OF CASH FOR BUILDING.

## PROPOSITION WILL CARRY

There is Little Doubt But Offer Will Be Accepted—School is Badly Needed.

The special school election on the proposition of increasing the bonds for a new school in Loveland Place from \$7,500 to \$10,500 will be held at the North Dixon high school building tomorrow from 5 to 8 p. m. and as far as has been heard there will be little or no opposition to the proposition, inasmuch as Mr. Loveland has made an extraordinarily generous offer in the matter, and the school is badly needed.

Mr. Loveland's offer provides that the bonds shall draw interest at the rate of 5 per cent, payable during his and his wife's lifetimes and at their demise the bonds shall become the property of the school district. The board of education is authority for the statement that unless the proposition is concurred in by the voters it will be necessary to make arrangements for enlarging the quarters of the present school buildings. Because of the ease with which the north side district can obtain the needed additional facilities there is little doubt of the proposition carrying.

## MANY DIXON PEOPLE WILL ATTEND CIRCUS

The Barnum & Bailey Greatest Show on Earth, will establish its magic kingdom of tents in Sterling tomorrow, (Thursday,) giving two performances and inaugurating its day's engagement with a three mile long street parade, which many Dixon people will witness.

It is amazing the way the circus can go on improving year after year and burning up all the laudatory adjectives. This season, the publicity man gives positive assurance, it is really bigger and better and newer and fuller of thrills than ever, but alas! All the superlatives are exhausted and the circus folks are at their wits' ends to fittingly write of the entertainment flying the Barnum & Bailey gonfalon. All New York applauded it for a matter of five weeks in the spring and found that, like all good things, it keeps growing better as it grows in years. Old P. T. meant well and did well enough in his ancient day, but if he wandered into his own show today, he would feel like Watt in the engine room of a dreadnaught.

This year's entertainment is almost entirely new. The old time "grand entree" has been thrown in the amusement scrap heap and in its stead the circus opens with a magnificent spectacle entitled "Cleopatra," based upon the story of Egypt's beautiful and ill-fated queen. More than 1,000 performers take part in the prodigious pantomime, including a ballet of 400 of New York's prettiest dancing girls, trained by Ottakar Bartik, maitre de ballet of the Metropolitan Opera House New York City. The circus has expended a fortune upon the costumes and properties and the music was composed by Efendi Faltis, for many years bandmaster for the Khedive of Egypt. The story is effectively told in a series of mighty tableaux, ensembles, fetes and terescorean numbers, and the great resources of the circus in camels, horses and elephants, are taxed by the demands of the play.

## FRANK E. PARKER DIES

AT STERLING HOSPITAL

Frank E. Parker, who underwent an operation about three weeks ago at the Sterling hospital, died last evening. The operation was due to a fall two years ago. The funeral will be held Wednesday at 3:30 p. m. at the Harmon church. Rev. Albert Heydrick of Byron will officiate.

Mr. Parker leaves beside his wife, four children, Walter, Nellie, Allan and Daisy and one brother, Lynn. Burial will be made in Greenwood cemetery.

## MAKE TAX LEVY ON TWO DATES

PROVISIONS OF TICE BILL MAKE TWO MEETINGS NECESSARY

## THE LAW IS CONFLICTING

Highway Commission Sends Letters To Township Clerks Advising Two Meetings

As the result of a discovery made by A. N. Johnson of the state highway department, the commission is today sending out letters to township and district clerks in Illinois, advising them to make the tax levy for road purposes on two separate occasions.

## A Conflict

It appears that there is a conflict in the Tice bill in regard to the levying of taxes, one section of the laws providing that the levy be made at a regular meeting between the first Tuesday in August and the first Tuesday in September, and the other specifying that the levy shall be made at a meeting on the first Tuesday in September.

## Hold Two Meetings

After a conference with Assistant Attorney General, Mr. Johnson decided it would be best to have meetings held on both dates and have the levy officially voted at each meeting so as to prevent a contest of the levy on the part of the railroads and other corporations.

## The Letter

The letter sent out is as follows: Township and District Clerks in Illinois:

Your attention is called to the following provisions in the road law: In section 50 thereof, it provides that the highway commissioners of each town or road district "shall hold a regular semiannual meeting between 1st Tuesday in Aug. and the first Tuesday in September of each year, at a time to be named by their president for the purpose of determining the tax rate to be certified by them to their respective county boards as hereinafter provided."

## Paragraph 56 provides as follows

"At a regular meeting to be held on the first Tuesday in September the board of highway commissioners in each town or road district, shall annually determine and certify to the board of supervisors or board of county commissioners the amount necessary to be raised by taxation for the proper construction, maintenance and repair of roads and bridges in such town or road district. Such certificates shall be filed in the office of the county clerk, and by that of at their regular September meeting for their consideration."

It therefore seems, in order to make sure, so there can be no question about the levies to be made, that your board of commissioners should hold a meeting to be called by the president before the first Tuesday in September and determine the amount and rate to be raised. Then they must meet on the first Tuesday in September and certify this amount as determined to the county clerk as provided in paragraph 56.

Illinois Highway Commission, Per A. N. Johnson, State Highway Engineer.

## WILSON READ HIS MESSAGE TODAY

ADVISES GETTING ALL AMERICANS OUT OF MEXICO AT ONCE.

Washington, D. C., Aug. 27—Special to Telegraph—Emphasizing the fact that the United States must remain the firm friend of the Mexican people in their present stress and trouble, President Wilson today read his long awaited message on Mexican affairs to congress.

The president's message was distinctly specific in tone and contained little in the way of recommendations for future policy, except that the government must urge earnestly that all Americans should leave Mexico at once and that the United States should assist them to get out in every way possible.

## Social Happenings

### At Necedah Lodge

Mr. and Mrs. Daniel Knapp and family, Mrs. Anna Slain, Lloyd Warner, Miss Katherine Connors, Joseph Cook, Jr., formed a party yesterday who went to Necedah Lodge and will enjoy an outing. Today the party was joined by Mr. and Mrs. Nicholas Stiff of Chicago.

### Wilson Family Reunion Sunday

Thirty-three members of the Wilson family residing in this vicinity met at the Waterworks park of Morrison and held a family reunion Sunday. A picnic dinner was served at noon and the afternoon was devoted to a social time thoroughly enjoyed by all present, for it was the first time so many members of the family had ever been together at once.

Those present from out of town were: Mr. and Mrs. T. H. Wilson, Mr. and Mrs. James Burchell and Mr. and Mrs. Harvey Downing, all of Walnut; Mr. and Mrs. Fred Howe and daughter Charlotte, of Rock Falls; Mr. and Mrs. John Kirman, Mrs. E. O. Hills and Mrs. Mary Kirman of Fulton; Mr. and Mrs. George Wilson and Mrs. Alice Stone, of Morrison. Mr. and Mrs. James Wilson of this city were the host and hostess.—Whiteside Sentinel

### At Dinner

Mr. and Mrs. C. G. Nichol and daughter Mildred of Mosher, Ore., and Mrs. William McGinnis and daughter of Dixon were entertained at the home of Mr. and Mrs. Jacob Echterbach Sunday in Sterling.

### Motored to Grand Detour

Mr. and Mrs. W. J. Burleigh and Mr. and Mrs. J. J. Ludens motored to Grand Detour Sunday where they spent the day.

### Enjoy Auto Ride

Mr. and Mrs. John Reitzel and son, and Mrs. Mary Hoover of Sterling, motored to Oregon and Grand Detour Sunday.

### Guests at McAlpine Home

Mr. and Mrs. Pearl Herrick of Polo were guests at the W. J. McAlpine home Sunday evening.

### Miss Young Entertained

Miss Young entertained at dinner Monday evening Misses Carpenter, Mountz, and Arnold.

### Attended Cotillion

Mr. and Mrs. Pearl Herrick, Miss Mountz, Mrs. Leonard Andrus, and Mrs. Johnson attended the cotillion at Illini hall Monday evening.

### Dance at Walton

On Wednesday evening, Septem-

ber, 3, there will be a dance in the hall at Walton. A large crowd is expected and all are invited to come and enjoy the evening.

### Guests at Dinner

Mrs. C. M. Huguet entertained at dinner yesterday at the Manhattan cafe, Mrs. Leonard Andrus, Mrs. S. Johnson, Mrs. Anna Worthington of Dixon and Mr. and Mrs. W. Vaughan and daughter Emma of DeKalb and Miss Rose Minor of Aurora. A delicious dinner was served.

### Drove to Grand Detour

E. C. Parsons, Mrs. Leonard Andrus, Mrs. G. H. Squires, and Miss Lorraine Hopper drove to Grand Detour last evening and dined.

### Walked to Filing Home

Misses Helen Jacobs, Claudia Backus and Mary Kennedy left yesterday morning for a six mile hike to the M. J. Fielding home. They arrived in time to assist the hostess serve dinner for the hungry threshers and they also walked up quite as much of an appetite as some of the threshers displayed.

### Last Dancing Party.

The last dancing party of the summer season at Illini hall, Grand Detour, will be given Friday evening of this week. This will make the ninth Friday night dance of the summer series and each one has been a success from both a social and financial standpoint. Dr. Hewett of Chicago, who has given them, is to be congratulated for the manner in which they have been conducted and the resorters and the people of Dixon and surrounding towns owe him a vote of thanks for furnishing these enjoyable parties.

### Informal Tea.

Misses Lenore and Edna Rosbrook will entertain with an informal tea on Friday from 3 to 6 o'clock. To meet Mrs. H. E. Finney of San Francisco, Mrs. Leonard Andrus of Portland, Ore., and Miss Eells of Fribault, Minn.

### Insurgent Woodmen to Picnic.

The Lee county Insurgent M. W. A. association will hold a big picnic at Green River park in Amboy Thursday, Sept. 11, which it is proposed to make one of the biggest things of the year in this district. State Senator M. H. Cleary of the 12th district will deliver the address of the day, and invitations will be sent to the insurgent Woodmen of neighboring camps.

### Dance in Amboy.

A number of Dixon young people will go to Amboy this evening to attend the weekly dance at the Green

### At Chronister Home.

Mrs. Klingaman of Marysville, Pa. is a guest at the home of her sister, Mrs. J. A. Chronister. The latter's niece and her husband, Mr. and Mrs. Knepper of Johnstown, Pa. and their daughter are also guests at the Chronister home in North Dixon.

### Ladies' Aid Meets.

The Ladies' Aid society of the Christian church will meet with Mrs. Dale, Loveland Place, for an all day meeting and a ramble dinner Thursday.

### Motored to Chicago.

Mr. and Mrs. J. H. Kenneth and Mr. and Mrs. Al Hibarger of Polo drove to Chicago yesterday in the Kenneth car, where they will enjoy a visit of a few days, probably returning Saturday.

### Shippert-Hursh Nuptials

Miss Ada May Shippert daughter of Mrs. M. D. Shippert, 410 Galena avenue, and Merle Hursh, of Denver, Colo., son of Rev. and Mrs. J. J. M. Hursh of Vandavia, Ill., will be united in the holy bonds of matrimony this evening, at 8 o'clock at the home of the bride's mother.

The wedding arrangements in every detail will be very simple, yet characterized by exquisite taste.

The bridal couple will receive their guests, who will number about 125. The ceremony will be solemnized in the parlor, which will be a bow of green and white, roses and ferns and palms forming the decorations here.

The couple will be unattended. The bride will be gowned in a beautiful ivory white crepe de chine. She will carry a shower bouquet of bride's roses and lilies of the valley.

Miss Jessie Grossman of Lanark, will preside at the piano and before Mrs. H. L. Builta, Mr. and Mrs. L. the ceremony will play "The Spring Song" and Mrs. E. M. Goodsell will with an open-air scramble supper, sing "Because," by Guy D'Hardelot. During the ceremony Mrs. Goodsell accompanied by Miss Grossman will sing "A Red, Red Rose," and afterwards will sing "The Rosary" during the congratulations, which will be extended after the wedding collation.

The dining room will be exquisitely decorated in pink and white, pink and white roses being used and ferns. The centerpiece is to be a tall French basket tied with tulle, in pink and white. An elegant collation will be served by Misses Lillie Shippert, Ida Ware, Irene Eichenberg and Bessie Kretzer.

The bridal couple will leave this evening for Denver, Colo., where the groom has a responsible position in Fleming Bros. Bank. The bride's traveling is of brown Empress cloth, with hat ecostume. Mr. and Mrs. Hursh will be at home to their friends at 388 South Franklin St., in a bungalow which the groom has had erected under his supervision.

Many and sincere are congratulations extended this young couple who start life so auspiciously and may they have every happiness is the wish of their many friends for they are both highly esteemed.

Among the guests present were—Mrs. Sophia Schroeder, Chicago, Misses Leila and Ina Hauze, F. L. Doty, Amboy, Miss Bessie Kretzer, Rochelle; Mr. and Mrs. Bert Long and daughter of Rockford; Rev. and Mrs. Hursh and Miss Hursh, Vandavia; Miss Jessie Grossman.

### Bridal Dinner

Miss Ada Shippert who will be married at 8 this evening to Merle Hursh of Denver, Col., gave a bridal dinner at 5 o'clock today, the guests being—Rev. and Mrs. Hursh and Miss Hursh, father and mother and sister of the groom respectively, of Vandavia; Mr. and Mrs. Bert Long and daughter, Rockford; Mrs. Catherine Davlin, Dixon; Mrs. Sophia Schroeder, Chicago; Mrs. F. D. Altman and Mrs. M. D. Shippert, Miss Ada Shippert and Merle Hursh and Misses Irene Eichenberg, Bessie Kretzer, Ida Ware, Mr. and Mrs. Otto Strook, Miss Jessie Grossman, Miss Elizabeth Shippert, Mr. and Mrs. E. M. Goodsell, Miss Lillie Shippert.

The decorations were in dainty pink and white and were very beautiful. The dinner was exquisitely served in courses.

### On Motor Trip.

Mr. and Mrs. C. Traber and party left today on a motor trip to Lake Geneva, Wis.

### To Rockford.

Mrs. W. J. McAlpine and Mrs. Leonard Andrus motored to Rockford today to attend the circus in that city.

### At Lake Placid.

Mr. and Mrs. H. G. Reynolds, who have been spending a month at Lake

Placid, N. Y., will return home this week.

### To Visit Mrs. Gilbert.

Mrs. Blake of Chicago is expected Thursday for a visit with her sister-in-law, Mrs. Will Gilbert.

### At Shuck Home.

Mr. and Mrs. Nicholas M. Stiff of Chicago are guests at the Daniel Shuck home in Palmyra.

### Wantoknow Club.

The Wantoknow club will be entertained by Mrs. W. T. Harrison tomorrow afternoon.

### Holiday Dance.

A big holiday dance, which should prove a popular attraction for Labor day, will be given at Rosbrook hall Monday evening.

### House Party.

Miss Esther Dement has returned from Madison, Wis., where she was a guest at a house party given by Mrs. Joseph E. Brady at her summer home.

### Dance at Maytown.

A dance will be given in Maytown Thursday evening, Aug. 28, at St. Patrick's hall and a general invitation is extended.

### Motored to Dixon.

Father Porcella of Maytown and cousins motored to Dixon today.

### Camp Doolittle Entertains.

Masters Lee and Arthur Builta, Stanley and Erman Miller, Earl Ryneason and Lloyd Bartholomew form a merry party of campers on Hoyle's island, down the river.

Last evening these merry lads entertained the families of Mr. and Mrs. H. L. Builta, Mr. and Mrs. L. the Spring Song, and Mrs. E. M. Goodsell will with an open-air scramble supper, sing "Because," by Guy D'Hardelot. During the ceremony Mrs. Goodsell accompanied by Miss Grossman will sing "A Red, Red Rose," and afterwards will sing "The Rosary" during the congratulations, which will be extended after the wedding collation.

At the conclusion of the "feast," Toastmaster H. L. Builta called for and received toasts from Mrs. L. W. Miller, on "Why Women Should Vote"; from Mrs. E. Ryneason, on "What We Will Accomplish With Our Votes," and from Mrs. H. L. Builta, on "Our Hosts."

The trip was made in the Builta launch and was the occasion of much pleasure and merriment. Camp Doolittle concludes its brief but unusually active existence today.

### Lawn Party.

Miss Margaret and Michael Allen delightfully entertained twelve little friends with a lawn party yesterday in honor of their little friends, Margaret Lou Backus and Harriet Jacobs. A pleasant time was enjoyed and dainty refreshments were served the guests.

### Entertained

On Saturday evening Mrs. M. E. Annis delightfully entertained six young ladies in honor of her niece, Miss Pauline Fargo, of Minneapolis.

### Burke-Blackburn.

Miss Julia Burke and Wm. Blackburn were united in marriage this morning at 6:30 at St. Patrick's Catholic church, Father Michael Foley officiating.

The couple were attended by Miss Mayme Burke, sister of the bride, and Wm. Phalen. The bride was beautifully gowned in white according to plaited chiffon over net and wore a dainty cap of silver filigree with pearls and carried bride's roses. Her rosary was of emeralds. Her maid wore white shadow lace over silk and carried white roses. Her rosary was of pearls.

After the ceremony the bridal party and large number of guests repaired to the home of the bride's mother, Mrs. Catherine Burke, where a wedding breakfast was served in four courses.

The parlors of the home were decorated in white roses and ferns and the dining room in white carnations and ferns.

Mr. and Mrs. Blackburn left at 8:30 for Chicago. They will visit Niagara Falls and make a tour of the lakes. The bride's traveling costume was dark blue with hat to correspond.

Mr. Blackburn, who is the son of Mrs. Peter Blackburn, is a young man who is highly esteemed and has many friends here and in Sterling, where he is in the undertaking business. Mrs. Blackburn is a young woman of winsome personality and charm and her many friends wish her every happiness.

They will be at home to friends in Sterling on their return from their trip in about two weeks.

Among the out of town guests in attendance at wedding were—Mr. and Mrs. Andrew Spohn and family

of Maytown; Mrs. John Knight and daughter, Miss Florence McCann of Walnut; Mrs. Martin McGowan and daughter Ethel and son John of Amboy; Mrs. Peter Blackburn, son Geo. and daughter, Mrs. Ed Brady, Chicago; E. F. Burke of Chicago and Miss Helen Grohens of Walton.

### Sunshine Class.

The Sunshine class of St. Paul's Lutheran church will hold a picnic Thursday afternoon at Lowell park. The boat leaves Esby's dock at 2 p. m. All members and friends are invited.

### For Miss Card.

Misses Ruth Smith and Pearl Seybert entertained at 6 o'clock dinner last evening for Miss Ella Card of Rock Falls.

### Ice Cream Social.

There will be an ice cream social at the Christian church at Pennsylvania Corners on Friday evening, Aug. 29. Everybody come and enjoy a good time.

### CARICATURES GLENN BRIGGS

In today's Tribune, big brother Clare Briggs, the cartoonist, plays a dirty trick on his little brother, Glenn Briggs, a former carrier of the Telegraph, now a ward of the government at the Annapolis training school for naval officers.

He displays a miniature drawing of Glenn, and not a very flattering one, either, with the note: "This is Glenn; Rah, Rah for Annapolis! Gee, I ain't mad at nobody!"

### OPEN CATHOLIC SCHOOL IN STERLING

St. Mary's parochial school at Sterling, which has been erected by the joint efforts of the members of St. Mary's and the Sacred Heart Catholic churches of that city at a cost of \$62,000, will be opened Sept. 8. The dedication exercises, which will be especially elaborate, will be held in October.

### MASTER-IN-CHANCERY SALE.

Public notice is hereby given that under and by virtue of a decree of the Circuit Court in and for the County of Lee and State of Illinois, made and entered on the 11th day of August, 1913, in a certain cause therein pending wherein William H. Collins and others were complainants and William E. Perkins and others were defendants, Partition No. 2986, I, the undersigned Master in Chancery of said court will, at the hour of one o'clock in the afternoon on Monday the 15th day of September, 1913, at the north door of the Court House in the City of Dixon in said county, sell at public auction to the highest bidder or bidders, on the terms hereinafter mentioned, the following described premises, to-wit:

All of Section Eight (8) in Township Nineteen (19) North of Range Eight (8) East of the Fourth Principal Meridian, in the County of Lee and State of Illinois, Subject, however, to the general taxes for the year 1913 assessed against said premises, and also subject to the present leasehold interest held by the defendant, James F. Miller, as shown by the decree of partition in said cause of date February 4th, 1913, and whose tenancy expires March 1st, 1914; the purchaser or purchasers to take all accrued rents, issues and profits arising from said premises after the date of said sale.

Term of Sale: Ten per cent of the entire amount of said bid or bids cash in hand on day of sale; the remainder of said bid or bids as and for purchase money to be paid upon confirmation of said sale by the court, or within thirty days thereafter.

Dated at Dixon, Ill., this 12th day of August, 1913.

### SPECIAL ASSESSMENT NOTICE.

Special Warrant Under Local Improvement Ordinance No. 136, Series 1912.

Public Notice is hereby given that the County Court of Lee County, Illinois, has rendered judgment for special assessment upon the property benefited by the following improvement: the construction of a vitrified brick pavement with macadam foundation, for which the macadam road-way already constructed was used, with sand cushion and asphalt filler between the bricks,—and the placing of fourteen cast iron crossing plates,—all being properly connected with intersecting and contiguous streets,—on East Second Street from Galena Avenue, on Third Street from Galena Avenue, on Third Street from Galena Avenue to Ottawa Avenue, on Ottawa Avenue from East Second Street to East Third Street, the intersection of East Second Street and Ottawa Avenue, the intersection of East Third Street and Ottawa Avenue and the intersection of East Third Street (produced) with Galena Avenue in the City of Dixon, Lee County, Illinois, as will more fully appear from a certified copy of said judgment now on file in my office and that a warrant for the collection of such assessment is in the hands of the undersigned.

Said assessment is payable in ten annual installments. The amount of the first installment is \$805.71 and is due and payable on or before January 2nd, A. D. 1914. The last nine installments are each for the amount of \$600 and one of such installments is due and payable January 2nd, in each of the years 1915 to 1923, both inclusive. All such installments bear interest at the rate of five per cent

per annum, payable annually on the 2nd day of May, from the 26th day of August, A. D. 1913.

All persons interested are hereby notified to call and pay the amount assessed at the Collector's Office in the City Hall in the City of Dixon within thirty days from and after the date hereof.

Dated this 26th day of August, A. D. 1913.

Signed, BLAKE GROVER,  
Collector.

### FINAL SPECIAL ASSESSMENT NOTICE.

Public notice is hereby given that the Board of Local Improvements of the City of Dixon, in the County of Lee and State of Illinois, caused to be filed in the County Court of said County of Lee on the 26th day of August, A. D. 1913, a certificate showing the final cost of constructing cement concrete curbing and vitrified brick or block pavement on East First Street, Commercial Alley, Ottawa Avenue and Crawford Avenue constructed in said City of Dixon under and in pursuance of City of Dixon Local Improvement Ordinance No. 144, Series of 1913, and the amount estimated by said Board to be required to meet accruing interest on bonds and vouchers issued to anticipate the collection of the assessment for said work. Said certificate also shows that said work has been done and completed by the Contractor doing the work in substantial conformity to the requirements of said ordinance and has been duly accepted by said Board.

The final cost of said improvement and the amount estimated for interest as shown by said certificate are:

1104.5 linear feet of cement concrete curbing at twenty-nine (29) cents per linear foot	320.32
9797.6 square yards of vitrified brick or block pavement at one and sixty-three (1.63) hundredths dollars per square yard.	15970.09
Total cost of work	\$16290.40
Lawful expense	\$20.32
Total cost of improvement	\$16310.72

Public notice is further given that the court has set said certificate and any objections that may be filed thereto for hearing at nine o'clock in the forenoon on Monday, the 15th day of September, A. D. 1913, or as soon thereafter as the business of the court will permit.

Said hearing will be held in the County Court Room in the Court House, in the City of Dixon, County of Lee and State of Illinois. All persons interested may file objections before said time set for hearing and appear and show cause why said petition should not be taken as true.

Dated August 25th, A. D. 1913.  
Board of Local Improvements of the City of Dixon, Illinois.  
By MARK C. KELLER,  
Its Attorney.

# ASHTON NEWS NOTES

Ashton, Aug. 26.—Mr. Workman, foreman of the school building, was called to his home in Iowa City Saturday by the serious illness of his wife.

John A. Kersten was in Chicago Friday.

Mrs. Louise C. Garrett went to Sublette Saturday to visit her sister, Mrs. Harriet Gardiner, for a few days. She was accompanied by Mr. and Mrs. Bauer, who were returning to Champaign.

Mrs. Minnie Guyer was in Dixon Saturday.

Rev. and Mrs. Alexander English came Saturday from Franklin to visit for a week. Rev. English filled the Presbyterian pulpit in Dixon on Sunday morning.

Mrs. Oliver W. Griffith and daughter Ellen and Mrs. Frances Chadwick were in the city Monday.

Our band boys have been engaged to play at the Lee County Fair, Amboy, the first day. No doubt a number of Ashtonites will accompany them.

Harvey Sindlinger of Dixon was here Saturday and spent Sunday with his brother Louis.

Mr. and Mrs. Thad Smith are the guests of her brother, Friend Smith, this week.

Mrs. Frances Chadwick and son Wm. of Steward came Friday evening to visit at the home of her parents, Mr. and Mrs. Wm. Hunt, over Sunday.

Miss Viola Burnham of Ruthven, Ia., left Friday for home after a visit here.

Mrs. John Vaupel and daughter Amanda were callers in Dixon Saturday.

Mrs. Farringer of Franklin Grove visited here Saturday and looked after business interests.

Miss Genevieve Cheadle returned home from the institute at Amboy Saturday.

Francis Chadwick of Steward arrived Saturday to spend several days with relatives.

Mrs. Anna Eisenberg Lee returned to Hopkinson, Ia., Saturday after two weeks' visit at the home of her mother, Mrs. Eisenberg.

Caspar Krug of Dixon is here today.

Mrs. Wm. Roat of Chicago spent last week at the Mrs. A. J. Orner home.

The Royal Neighbors social Saturday evening was a big success notwithstanding the cool atmosphere. The social was held on the Wm. Killmer lawn and the M. W. A. band furnished music. Over 200 tickets were sold.

Bishop Dubs preached last evening afternoon.

Mr. and Mrs. John Killmer and daughter Emma, Wm. Killmer and Miss Emma Heibenthal motored to Barrington, Ill., to camp meeting on Saturday.

Faust Boyd was in Harmon Friday to Sunday on business.

Chas. Drummond was a week end guest at the home of his parents, Mr. and Mrs. John Drummond.

Miss Odessyl Durstan was in Amboy last week.

Mrs. Luckey and son and mother, Mrs. Kelley, were Dixon visitors Saturday.

Mr. and Mrs. Clinton Nickey, son and daughter returned to Chicago on Monday after two weeks' visit at the home of his father, A. J. Nickey and his sister, Mrs. Emmet Randall.

Miss Nellie Griffith was a Rockford visitor Monday at the home of her sister, Mrs. Hugh T. Brown.

Editor Ralph Dean was in Dixon Saturday.

Mrs. Wheeler and son Scott returned to their home in New York City Monday after several weeks' visit at the homes of Thornton Nettleton, Mrs. Margaret Byers and Dr. Brown. Mr. Wheeler is a musician, and a number of people enjoyed hearing him play the pipe organ at the Presbyterian church.

Fremont Lehman and son Carroll of Franklin Grove and others motored to Ashton this afternoon advertising their annual Farmers' picnic, to be held a week from Thursday. E. C. Dunn of Iowa is the speaker of the day. The Franklin Grove band will play.

Miss Inga Jacobson was a week end visitors with friends in Rockford.

Rev. Geo. Walters and daughter Violet and Miss May Green motored to Barrington camp meeting last Saturday. They are remaining for a week.

Mr. and Mrs. John Eisenberg went to Barrington camp meeting Saturday.

Friends here are sorry to hear of the death of Henry Faust of Rockford on Monday. Mr. Faust was an old soldier and for several years had lived at the Soldiers' Home in Milwaukee. He formerly resided here a number of years.

Miss Sophia Hatzell has spent several days visiting near Lee Center and Amboy.

F. C. Ohlsmacher of Lockport was a week end guest at the home of Mrs. Nancy Paddock.

Will Cahill went to Franklin this morning on business.

Miss Clara McCune of Sterling was a visitor in this city on Tuesday afternoon.

# 19th YEAR IN Dixon

## DR. PRETTYMAN

For over 17 years Dr. Prettyman has been coming to Dixon ever four weeks. What he has accomplished in the time is a matter of history suffice it to say it has made him a reputation that no other specialist has ever attained nor can hope to attain in this vicinity.

# His Work Speaks for Itself

The doctor keeps abreast of the times by devoting all his spare time to clinical work in the Chicago hospitals. He is not content to rest on laurels already won but he is on the alert for anything and every thing that will assist him in diagnosing and treating many cases that come before him. In 1909 he had special work in hospitals of London and Edinburgh and is enthusiastic over the results attained.

# You Can Depend Upon Him

Others can come and go but Dr. Prettyman continues his visits regularly and does as he agrees in every case. In employing him you are assured not only the best results but that he will be here for years to come.

# Dr. Prettyman

Will be Dixon at

# HIGHWAY IMPROVEMENT

FOR CULVERTS AND BRIDGES

Steel and Concrete Combined Constructive Form of Construction Economical and Durable.

(By C. H. MOOREFIELD)

A combination of steel and concrete made in such a manner that each material will be required to withstand the character of stress for which it is best adapted—that is, tension for steel and compression for concrete—constitute a form of construction for short bridges and culverts both economical and durable. The advantages of the two materials are combined and their disadvantages in a large degree eliminated.

This form of construction, on account of its economy and simplicity, is especially well suited to highway culverts and short span bridges, when for any reason it is desirable that their superstructures be kept flat. In the case of arch culverts and bridges built

of concrete the economy of introducing steel is not always evident and should be demonstrated in any particular case before it is decided that the arch must be reinforced.

The conditions to be met in the construction of reinforced concrete culverts make it desirable, from a standpoint of economy, that a relatively high grade of concrete be used. Any decrease in the strength of the concrete necessitates a corresponding increase in some dimension of the members, and thereby adds to the dead load which the structure must sustain.

Reinforcing bars should be made from steel having a safe strength of not less than 16,000 pounds per square inch, and should possess sufficient malleability to be readily bent into the desired shapes while cold. When placed in concrete they should be free from rust, grease or foreign materials of any kind, otherwise a perfect bond between the bars and the concrete will not be obtained.

Designers of highway bridge and drainage structures are urged not only to investigate the safety and durability of proposed designs, but to consider their esthetic features as well. When bridges and culverts are to be constructed of permanent materials, such as reinforced concrete, the designer should bear constantly in mind the fact that any esthetic defects which may be present in such structures will become more and more apparent as the community develops.

For example, a highway bridge, the defects of which are hardly noticeable when the highway on each side is bordered by dilapidated fences and buildings may become a veritable eyesore

if these features of the landscape are sufficiently improved. A design may be in excellent taste, however, and yet be almost totally devoid of ornamentation. A few simple panels and copings are usually sufficient to lend an attractive appearance to masonry bridges, provided the planes of the wing walls, parapets, etc., are in proper relation to each other and to the roadway.

# Earth Roads Cheap.

The earth road will doubtless be used in rural communities for many years, because of its low first cost. The ever-recurring problem of upkeep on such a road can be solved very largely by the use of the split-log drag.

# Money Wasted.

It is money wasted to spend for dragging a road that is not plied enough so there is a ditch on either side of the roadway. Better grade first, then keep the grade up by dragging afterwards.

# Guard Against Weevils.

All weeds and rubbish should be cleared away from alfalfa fields, ditches and fence rows so there will be no opportunity for weevils to find winter shelter.

# Reinforced Concrete Culvert on a Massachusetts State Road.

## condemns

## the light bottle

We reprint an extract from his opinion rendered in the interest of science.

"The beer in the white glass bottle had taken on disagreeable odor and taste and was absolutely undrinkable. The beer in the dark bottles did not show this peculiar odor and taste." (G. Beck.)

Translation of Extract from Zeitschrift fur das Gesamte Brauwesen, 1882—page 370.

Dr. Robert Wahl quotes Beck in corroboration of his own opinion, to the effect that beer in light bottles will become undrinkable when exposed to light.

Schlitz in Brown Bottles is pure and sparkling as a crystal spring from the brewery to your glass.

See that cork is branded.

TOOK OWN LIFE  
EALY SUNDAY

HILDA BOROO CUT HER OWN THROAT WHILE IN FIT OF DESPONDENCY.

## WAS NINETEEN YEARS OLD

Domestic Trouble and Deserption by Her Husband Believed to Have Been the Cause

DeKalb, Aug. 26.—John Nelson, a milkman, made a ghastly find early yesterday morning when he went to deliver milk at 1014 State street. Lying in the yard there near the door step, was the dead body of a young woman, a beautiful Finnish girl, with a razor clamped tightly in her hand and a gash in her throat that had nearly severed her head from her body.

The horrified man immediately notified the people of the house and the authorities took the remains in charge. The body was that of Hilda Boroo, a pretty 19-year-old Finn girl, who has been employed as a domestic at the Kilmer club on Augusta avenue.

A letter to her sister, a Miss Boroo, in Michigan, told of being despondent and tired of living. It seems that the girl has been married and has not been living with her husband. No cause for her despondency other than a possible grievance over this domestic difficulty can be suspected and it is likely that her family troubles have worn upon the girl's mind until she has decided that her life was not worth the effort.

It is evident that some time Saturday night after midnight she went out into the yard and slashed her throat. The body lying there until its discovery the next morning.

A jury was impaneled by Coroner Wright and a verdict in accordance with the facts as brought out was returned. The girl was born in Michigan of Finnish parents.

## FIXED FOR THEFT

Charles Moody, colored, who has been in the county jail for some time charged with stealing clothing from a fellow workman was arraigned before Judge Scott in county court this morning on information furnished by States Attorney Harry Edwards, and on his plea of guilty he was fined \$1 and sentenced to serve 10 days in the county jail.

## WATCH FOR "LITTLE JEFF"

Local officers today received a message from Warden Allen of the Joliet penitentiary announcing the escape from that institution today of Jeff Sbarum, alias Little Jeff, alias Jeff Davis, alias Richard Benton, who was a United States prisoner and for whose arrest a reward of \$200 is offered. He is described as being about 55 years of age, weight about 115 pounds, 5 feet 5 1/2 inches in height, grey eyes and dark complexion, mark under left temple and with right knee cap broken, causing him to walk with a limp.

MOTHERS WRITE TO  
GOVERNOR DUNNE

WIDOWS NEEDING PENSIONS SHOULD APPLY TO THE COUNTY COURT.

Springfield, Ill., Aug. 27.—Nearly every mail brings to Gov. Dunne pitious appeals from mothers seeking a pension for themselves and their destitute fatherless children.

Nearly all of these writers assume that the pensions under the new law which went into effect on July 1, this year, are paid by the state and that the governor has control over them.

Many other letters reach the governor making inquiries as to terms of the law.

Interest in it appears to be widespread, but it will be news to practically every county court and county board to know that this law requires the levying annually of a tax of not more than three-tenths of one mill upon the \$100 of assessed value of the county. Such fund is to be known as the Mothers' Pension Fund.

The mothers' pension act, which is now in effect, is mandatory upon the county and the county or juvenile court.

The levy of the tax is mandatory. The county board has no option in the matter. The petition for a pension may be presented to the juvenile or county court and the court must take cognizance of it and decide the case upon its merits. If under the terms of the law the mother, petitioning for the pension, is worthy and eligible, the court must issue the proper order and the county board must pay the amount specified by the court.

Those who believe they are entitled to a pension should take their case directly to the juvenile court, or, in the absence of such court, to the county court, where the procedure will be explained.

The court is required to appoint probation officers to see that the money is properly expended and to oversee the home which the pension is designed to keep together.

AUTO ATTACHMENT  
IS LIFE SAVER

EDWIN WATERS PATENTS ELECTRIC INDICATOR FOR USE ON MACHINES.

Elgin: Ed. Walters, a prominent South Elgin resident has been granted a patent on an electric indicator which he believes will do away with most of the danger of auto accidents on corners.

The contrivance is placed on top of one of the lamps of the machine. Projecting from a glass cage of rotary lamps is a steel arrow. There is an attachment by which the lamp is lighted at night from the regular front lamp. The indicator is controlled by a handle and spring fingers. When a driver intends to turn a corner he may turn the arrow in the direction he is to turn before reaching the corner. A person crossing the street or another driver can tell by the direction in which the arrow is pointing what way the machine is going.

At night the glass covering is lighted by an attachment from any kind of lamp. By moving the lever the light will turn, showing the direction in which the machine is going. In this way an auto coming up the street on which the machine is on or which it will turn on, can tell by the light which shines in advance of the auto, in which direction it is going. It also lights up around the corner for the driver before he reaches it and gives him a chance to see what is ahead of him on the curve. There are holes in the glass casing. The colored lights on the side and back of the lamp are also regulated by the lever.

It is understood that Mr. Waters intends to sell the patent.

## LEAD PRAYER MEETING.

H. B. Green will lead the prayer meeting at the Methodist church tonight.

## LICENSED TO WED

A marriage license was issued yesterday to Wm. C. Blackburn and Miss Julia A. Burke, both of this city.

Peter Duffy is erecting a 2-room addition to his residence on the Chicago road. When completed the addition will make the officer's home very commodious and comfortable.

## LIKE TWO CHILDREN

Young Lovers Tracing Their Names in the Sand Uncover a Small Fortune.

BY VIRIAN H. BREWER.

"I don't believe that we are ever going to be married, Frank," said Maisie Lester, looking sadly at her fiance. There were tears in her big gray eyes, and Frank Rhodes felt a sudden sting of shame as he perceived them.

He was twenty-eight and Maisie twenty-five, and they had been engaged four years. They ought to have been married long before, but Frank was what his folks called a "ne'er-do-well." He had never placed his foot upon the first rung of the ladder of success. He had been a clerk in half a dozen offices, but he wholly lacked the elements that make for financial affluence.

Had he been a poet he might have made his way, for poetry is said to be a fairly lucrative calling. But he was not even that—he was a composer by choice. He knew that the present generation would never understand his work; he wanted nothing but to have a quiet home of his own where he could farm and write his melodies undisturbed. And Maisie had that passionate longing for a country life that city-bred people feel. She was a stenographer, and between them they made exactly twenty dollars a week. Frank would have married her on that, but Maisie had enough worldly wisdom to refuse.

"No, my dear," she had said, "unless you can do something that will enable us to get our little farm we must remain unmarried. But I shall always be true to you," she added, and cried piteously. They were like two children and neither had the remotest hope of ever achieving what they had set their hearts upon.

Then Frank had had a wonderful idea. He would go west. What he was going to do in the west he did not know, but since the rainbow has a pot of gold at the far end of its arch he had a vague idea that some-

"Yes, I dropped that!"

how he would acquire a fortune in Nevada, Oklahoma or Oregon—he was not sure which. And on the following day he was to start for St. Louis, which was as far as his money would carry him. They had met on the beach—an ordinary, commonplace beach near the city, thronged by pleasure-seekers in summer, but distressingly cold and barren in this winter season. It was to be their last meeting for years—perhaps for ever.

"I shall always be true to you, Frank," Maisie whispered again, and clung to him; and they kissed each other as passionately as lovers do who are to be sundered for an incalculable age. They sat down side by side and Maisie traced his initials in the sand with the point of her umbrella.

How child-like he was! she meditated. She stole a glance at the long, curly hair that rimmed his head under his soft hat. Poor Frank! Dearly as she loved him, Maisie knew that he would never amount to anything. But she loved him all the more for his helplessness. She felt her eyes flooding with tears again at the thought of the future. Frank was whistling a melody.

"F—A—N— she had written, and then the ferrule encountered a soft and yielding substance that obliterated the fourth letter as her umbrella point dragged it forth from its hiding place. She looked curiously upon the shapeless substance. It was waxy, something like beeswax, and as she looked at it in a disinterested way it was suddenly borne in upon her that this strange, amorphous substance, probably some sea growth, was exactly like their own natures, plastic, ready to be beaten and molded, to take any imprint that was made in it. She flung it into the air and turned to her sweetheart.

"Frank, dear, if you are to get that train home we had better be starting," she said.

He agreed, and they clung together in one last embrace, to be the last for goodness knew how long. Then they turned their steps sadly toward the station. They were upon a lonely part of the sands, but half a mile away the board walk terminated, and

the big hotels that fringed it were not wholly devoid of guests. Little figures of men and women dotted the promenade. Maisie shuddered as they two ascended the slope of the walk and began that desolate walk through the dreary sea-front. It was like coming back from fairyland to the world of humanity again—that world which had despised and rejected them and had no place for them.

Frank turned and gripped Maisie's arm fiercely.

"Dear, I'm going to make good," he said. "It must be that I am of some use in the world. It cannot be that you and I are destined never to be anything more to one another and just because of the lack of a few miserable dollars. If I can earn two thousand dollars we will have our farm; then I shall be able to write something worth while. I know we shall succeed."

Poor Frank! Maisie looked at him wistfully. Neither of them had ever owned fifty dollars at a time. And Frank was close on thirty. That two thousand dollars would have to drop from the skies; nothing seemed less possible. She watched Frank's slouching figure with a heartache. How shabby he was! The resolution had already dwindled away. He was only a poor clerk; he would never be anything more.

They were walking among the straggling visitors to the little place. A nurse-girl wheeled two fat infants in a baby-carriage. A ridiculous-looking little man with waxed mustaches was approaching them. Probably he was earning ten times as much as Frank, thought Maisie, with a fierce hatred of him. It began to drizzle—a fine, penetrating rain that blotted out the sight of the sea. Both were in the depths of misery. Maisie opened her umbrella and held it over Frank—the action was instinctive and demonstrated her unconscious maternal attitude toward him. He linked his arm through hers, but he did not take the umbrella; he was far away, composing. Even Maisie was forgotten for the moment.

Maisie heard an exclamation behind her and the fat little man came panting toward her. Had she dropped something? Probably a handkerchief. But she would make the fat little man run; it was her idea of revenge upon him for his mustaches and his absurd, prosperous look. She heard him blowing and panting. "Mees! Mees!" he was calling. He was evidently a Frenchman.

"Mees! Mees! 'Ave you dropped this?" Maisie turned round. The little man was standing before her, and in his hand he held—that absurd mass of sea growth which she had flung away upon the beach. She must have let it fall into her umbrella, and, when she opened it, it had slipped upon the boardwalk. Maisie felt furious.

"Yes, I dropped that," she said icily. "But it is of no value to me. Keep it, monsieur, if it interests you." The fat little man looked quizzically at her.

"Mademoiselle, is without doubt, a millionaire," he inquired blandly. "Something in his tone arrested Maisie's angry answer. There was a strange look in the little man's eyes.

"What is it?" she asked. "Ambergris," said the fat little man. "The basis of perfumes. The most valuable of the sea's gifts. I am a perfumer, mademoiselle. I buy heem."

"How much?" asked Maisie. "I give you—three thousand dollars," said the fat little man. That was the only time Maisie ever scolded Frank for whistling. (Copyright, 1913, by W. G. Chapman.)

**Pity the Editor.** "What's the matter?" inquired the foreman as he entered the sanctum for copy, and noted the editor's swollen forehead, puffed red eye, and tattered, dusty coat. "Did you fall down stairs?"

"No—only that," replied the editor, pointing with his finger to a paragraph in the paper before him. "It's in our account of the Crapley-Smith wedding. It ought to read: 'Miss Smith's dimpled, shining face formed a pleasing contrast to Mr. Crapley's strong, bold physiognomy.' But see how it was printed."

And the foreman read: "Miss Smith's pimpled, skinny face formed a pleasing contrast to Mr. Crapley's strange, bald physiognomy."

"Crapley was just in here," continued the editor, throwing one blood-streaked handkerchief into the wastepaper basket, and feeling in his pockets for a clean one, "and he—just sent that proof-reader here! There's right left in me yet!"

**Lightning as Cure.** When a man is struck by lightning, in nine cases out of ten it is either "kill or cure," for, though many deaths occur as a result of lightning stroke, marvelous cures of infirmity are often effected by the same means. The other day the papers reported the case of a man who had been deaf for three years being struck by lightning. For some time he was unconscious. When he regained consciousness he found, to his delight, that he could hear once more.

In another case lightning was the cause of the restoration of sight. For some time, owing to age and infirmity, a man had lost the sight of his right eye. He never expected to regain it. Walking along a common he was caught in a thunderstorm; the lightning struck him, but, far from doing him bodily harm, he found, when he had got over the shock, that he could see with his right eye as well as with his left.

## Mutual Relations And Interests Of The Bell System And The Public

The suit brought by the United States questioning the purchase of certain telephone properties in the northwest, as well as the pending Interstate Commerce Commission telephone investigation, have caused many inquiries. Without taking up anything going to the merits of these proceedings, it has seemed to us proper to state generally what has been our policy and purpose in the conduct of our business.

We have found, or thought that we had, that our interests were best served, when the public interests were best served; and we believe that such success as we have had has been because our business has been conducted on these lines.

We believe that our company has an interest as vital to that of the public in proper administration of the problems of electrical inter-communication. The success and prosperity of our company depends upon a solution of these problems which shall be sound from both the standpoint of the company and the public which it serves.

Following our own best judgment, supplemented by the best obtainable advice, we have endeavored to do what would best serve the public interest; wherever possible our plans have been disclosed to the public in advance, and what has been done in carrying them out has been along ordinary business lines, with the implied, and generally, with the expressed approval, authorization or consent of the municipal and state authorities directly interested. Our effort has been not only to obey the law, but to avoid everything which might even have the appearance of an attempt at evasion.

Our business methods and policy, and practically all of the details as to the transaction of our business, are matters of common knowledge and are, and for many years have been, well known to the government. We will willingly furnish the government any additional information which is in our possession or under our control, and will cordially cooperate with it in obtaining such further information as it may require. Every possible assistance will be given by us to the courts in their effort to determine whether our policy is or has been inimical to the public interest. We desire that anything wrong be corrected; we will voluntarily rectify any wrong that may be pointed out to us; and, so far as it may be determined that our policy or any act under it is against the public interest, we will promptly conform to such determination.

We believe that if each of our exchanges were made an independent unit and if each connecting line were put under a separate control, the effect upon the telephone service of the country would be a condition so intolerable that the public would refuse to submit to it and would immediately require such physical connection and common control of these various units as would amalgamate them into a single system. Physical connection in the case of telephone or telegraph does not mean transfer of messages from one line to the other. It means such a connection as will permit one person to have the actual possession of the particular line of communication from one end of it to the other and this can only be given efficiently by exchange systems and connecting lines under a common control; and that is what the Bell System is.

In this connection, and for general information, we will relate the policy which controlled the building up of the Bell System, and our belief as to what a telephone system should be, and what are its relations to the public.

We believe in and were the first to advocate state or government control and regulation of public utilities; that this control or regulation should be by permanent quasi-judicial bodies, acting after thorough investigation and governed by the equities of each case; and that this control or regulation, beyond requiring the greatest efficiency and economy, should not interfere with management or operation. We believe that these bodies, if they are to be permanent, effective and of public benefit, should be thoroughly representative; they should be of such character and should so conduct their in-

vestigations and deliberations as to command such respect from both the public and the corporations that both will without question accept their conclusions.

We believe that the public would in this way get all the advantages and avoid all the manifest disadvantages of public ownership.

We believe that centers of business and population exist for the convenience of the public as a whole, and that no such center can prosper with out sufficient and efficient means of intercourse with other centers and tributary territories; that such means can only be afforded by prosperous utility and service companies and that fair rates are essential to prosperous companies. We do not believe that any public either desires or can obtain, nor can any service or utility furnish, permanent and efficient service at less than cost, including capital charges. We believe that ultimately the public either directly or indirectly pays the losses involved in the effort to furnish such service at less than its fair cost, either through the loss of the capital involved or the necessary increase in charges required to pay for duplication of capital.

We believe that the highest commercial value of the telephone service depends on its completeness—on the extent and comprehensiveness of the facilities for intercommunication, not only between individuals but between centers of population; that no isolated section can be considered independently of any other section or of the whole; that rates must be so adjusted as to make it possible to obtain the maximum development by making it possible for every one to be connected who will add to the value of the system, thus giving the greatest value to the greatest number; that the interdependence of the telephone service and the value of complete and universal intercommunication justify and require some service partly at the expense of the whole for the benefit of the few.

We believe that this highest commercial value can only be attained by one system and under one common control and that it cannot be given by independent systems unless they are operated under agreements which result in one common control and one common interest, in effect making them a single system.

We believe that rates should be so adjusted as to afford the company sufficient revenue to pay such wages and compensation as will secure the most efficient service; to maintain the very highest and most advanced standards of plant and apparatus, to carry on such scientific and experimental research and inventions as to apparatus and methods as to insure the highest standards, and to carry to reserve and depreciation such amounts as will enable the company at any time to replace old plant and old methods with new plant and new methods as fast as they may be developed and found to be to the advantage of the service. We believe that in addition, such fair charges should be paid upon the investment in plant as will enable the company at any time to obtain money necessary to provide the plant required to meet the continuing demands of the public; and in order that waste and duplication of effort may be avoided and uniformity of purpose and common control be enforced, that there should be a centralized general administration in close communication with and having general authority over the whole on matters common to all or matters of general policy.

We believe that any surplus beyond that necessary to equalize dividends on a fair basis should be used by the company for the benefit of the public and should be inalienable for any other purpose, and should be either invested in revenue-earning plan until necessary to substitute plan which may become inadequate or obsolete, or should be used to make the service cheaper or better.

We believe that under proper governmental control and regulation the profits from promotion or operation allowed to be distributed should not be so large as to warrant or tempt complete duplication of plant and organization with its duplication of its

capital charges and its organization, operating, maintenance and depreciation expenses; and we do not believe that utilities giving at fair rates an efficient and sufficiently comprehensive universal service should be subject to limited competition, not giving such service. Competition which ignores the obligation to furnish a complete and comprehensive service is not competition, is not for the benefit of the public in that it does not reach the whole public interested.

If, therefore, complete duplication, and dual bills for service, is a prerequisite to complete competition, government control and regulation cannot go hand in hand with competition.

We believe that the record of the Bell System will be accepted by the public as fully in accord with these declarations. Consistent adherence to this policy has given the public of the United States the best, most comprehensive and cheapest telephone service in the world and made the Bell standards the standards of all nations.

To remove any possible excuse for misapprehension on account of the many misleading statements which have been circulated as to the alleged unnecessary and overcapitalization and excessive charges of the Bell System, the following statistics are given. Except where stated, the figures are for the Bell System; that is, the American Telephone and Telegraph, and its Associated Companies.

The entire Bell System on June 30, 1913, had outstanding in the hands of the public obligations (i. e., notes, open accounts, bonds, etc., shares) to the par value of \$776,000,000.

The book value of the total tangible assets, which is considerably less than their replacement value, amounted to \$960,000,000. Many appraisals of property included in these assets have been made, and most of them under the direction of public authorities. In no case has the value as it stands on the books failed to be sustained, and in most cases it has been very largely exceeded.

The total dividends and interest paid during the year 1912 amounted to only 6.1 per cent on the average of its outstanding obligations, and to less than 5 per cent on the average value of its assets.

The actual cash which has been paid into the treasury of the American Telephone and Telegraph Company on account of the capital obligations now outstanding amounts to \$22,000,000 more than the par of such outstanding obligations.

The Associated Companies collected from the public and paid back in taxes over \$10,000,000 during the year 1912.

The steadily increasing necessities of the public not only for additional but for new telephone service, can only be met by new construction, involving capital outlay. To meet these demands during the six and one-half years from 1907 to June, 1913, inclusive, the increase in telephone plant was as follows: Toll line wire increased from 1,460,000 miles to 2,242,000 miles; exchange wire increased from 6,000,000 miles to 13,000,000; the number of exchange stations increased from 2,730,000 to 5,200,000; the number of stations of independent companies connected with the Bell System increased from 343,000 to 2,620,000. The number of independent companies connected with the Bell System is about 25,000. The number of employees in the Bell System, not including the employees of connected companies, on December 31, 1912, was 141,000.

During this same period the number of shareholders of the American Telephone and Telegraph Company not including either the associated or connected companies, increased from 17,000 to about 54,000. About 47,000 shareholders hold less than 100 shares each; 6,500 shareholders hold from 100 to 1,000 shares each; 347 shareholders hold from 1,000 to 5,000 shares each, while there are only 16 shareholders of 5,000 shares or over in their own right. A majority of the shareholders are women.

AMERICAN TELEPHONE AND TELEGRAPH CO.  
THEO. N. VAIL, President.

**Potato Omelet.**  
Four freshly boiled potatoes are needed for the omelet. Press them through a ricer or colander. Add salt and pepper and four well-beaten eggs, yolks and whites beaten separately. Cook in a well-buttered frying-pan, turning the browned side gently over, and serve on a hot platter.

**Baldwin Cake.**  
Baldwin cake calls for one cup and one tablespoon of flour. I will send whole recipe: One cup of sugar, one-third cup of butter or shortening, one-half cup of milk, one cup and one tablespoon of flour, two eggs (leaving out the white of one for frosting), two scant teaspoons of baking powder.

**Quick German Pudding.**  
One pint of flour, one cup of milk, two teaspoons of baking powder, salt, one egg. Put the batter into a flat tin, cut apples into thin slices and press them into the batter, placing them in rows, then sprinkle them with sugar and cinnamon, or nutmeg, and bake until apples are well done.

**Beef Loaf.**  
Two pounds of raw beef put through the grinder, five crackers ground, one cup milk, butter size of egg if there is no fat in beef, one egg and a little salt and pepper. You can add an onion chopped if you like the flavor; bake slowly two hours.

**For Enamel Pans.**  
When washing enamel pans never use soda to remove stains, but apply salt, rinsing the pan afterward with warm water.

**Appendicitis Known 30 Years.**  
As a disease, appendicitis became known about thirty years ago. Since that time it is estimated that fully 300,000 people in this country have undergone surgical operations as a cure.

**Life.**  
The best things that come to our life are not novelties, but new inspirations of one eternal life. Life in all its forms makes all things new and makes the world new.

**Wins.**  
A man trying to win one woman and following the advice of another seldom fails to win—the other woman.

**A Gigantic Task.**  
We despair of changing the habits of men, still we would alter institutions, the habits of millions of men.

**The Rarest Bird.**  
"And why is the stork the rarest bird?" "Because it is always about, but nobody ever sees it."—Judge.

**Some People Can't Learn.**  
Experience makes some people sadder and wiser, but it makes more people merely sad.

**Has Various Messengers.**  
Good fortune often chooses the most unlikely of messengers to herald its coming.

**Its Sort.**  
"I hear Henry's new job is a snap." "Quite so. He is making steel traps."

## MAKE NO MISTAKE

Are You Weak, Nervous, Diseased?

FREE—Consolation, Examination, and One Week's Trial Treatment.

DR. R. S. PIPER SAYS

You who have been humbugged by "Old Treatment," and who have found yourself growing older and worse; YOU who have given up in despair, saying, "I am doomed, there is no hope for me," to you he says, who are sinking into an early grave or drifting upon the shoreless sea of sickness and misfortune, UP and SAVE YOURSELF! There is HOPE PERHAPS A CURE.

COME FRIDAY, AUGUST 1 And he will treat you FREE FOR ONE WEEK, if you desire, to prove what he can do. He has spent thousands of dollars to develop his treatment, and he knows what it will do. Don't experiment elsewhere. Try his treatment FREE, and be convinced that he can give you results.

He Has Restored Thousands to Perfect Health and Strength

HE WANTS THE WORST CASES—the so-called incurable cases—the hopeless (?) cases in order to prove what his successful treatment will do. Ninety-nine per cent of his cures are performed in cases which have been pronounced incurable, and who have tried so many other treatments and taken so much medicine that they have become completely discouraged. These have come to Dr. R. S. Piper and have found health and happiness. Why not let him cure you?

**DISEASES OF MEN**—There are no diseases so destructive to the health, happiness and prosperity of man as Lost Vitality, Blood Poison, Syphilis, Stricture, Varicocele, Losses, Discharges, Urinary Troubles and other diseases from which men alone suffer. Such diseases rarely cause death, but they produce a condition of mental and bodily suffering that is worse than death. There are no diseases about which physicians in general know so little and treat so carelessly.

Because the subject is so delicate—and frequently so disagreeable—competent physicians are loath to handle it, and the same delicacy on the part of many patients causes their treatment to be neglected. Such a feeling may, perhaps, be natural, but there is really no cause for it. Ignorance, not vice, is most often the real cause of such diseases. Therefore do not neglect yourself by reason of false modesty. These affections are as legitimate a branch of medicine as diseases of the Heart, Lungs or Stomach. Seek proper means of relief at once, for neglect is fatal.

**ALL DISEASES**—All curable afflictions can be cured by Dr. Piper's treatment—many that others consider incurable—no matter how many remedies you have vainly tried—no matter how many other doctors have failed. Curing SUPPER CHRONIC CASES is Dr. Piper's specialty. ARE YOU SUFFERING from belching of gas or food from the stomach, pain or distress in the stomach, breaking out on the skin, constipation, creepy or numb sensations in the limbs, the effects of an old illness, despondency, deep seated blood diseases, melancholia, loss of ambition, loss of vital energy, wasting diseases, epilepsy, fits, asthma, eczema, gall bladder trouble, varicocele, early abuses, headache, pain in the back or the side, dizziness, rheumatism, acute infections, auto-intoxication, nervous prostration, loco otor ataxia, dyspepsia, biliousness, heart disease, kidney and bladder disease, lung trouble, catarrh of the head, diseased eyes, deruced vision, female diseases, nervous exhaustion or any evidence of breaking down in MAN or WOMAN?

Thousands have been cured in the past—many just like your case. Won't you let him cure you? A friendly call may save you future suffering; it has made life anew to thousands who have been pronounced beyond help.

NOTICE—Dr. R. S. Piper will be at the Nachusa Hotel, Dixon, for One Day Only

FRIDAY, AUGUST 29th.

Returning Every 28 Days. HOURS—9:00 A. M. to 4:00 P. M.

Sterling—Motel Galt, Thursday, Aug. 28th.

CHICAGO ADDRESS—177 N. State Street, Suite 408 S. E. Corner State and Lake Sts.

## WASTE IN VEGETABLES

GOOD QUALITIES LOST DURING PROCESS OF BOILING.

Considerable Food Value Retained When Steaming is Substituted for the Present General Method of Preparation for Table.

If we stop to think about it, as many of us do, it will be seen that our usual methods of preparing vegetables are somewhat wasteful. The vegetables are those foods which give us more salts and mineral extracts, iron, etc., than possibly any other kind of food. These extracts are dissolved in water and, consequently, when we cook our vegetables in a large quantity of water, and then throw it away, we lose much, if not most, of these valuable food materials.

A recent investigation along this line has brought out these interesting facts: that a great deal of the most valuable part of the potato is lost by paring, or laying the pared potatoes

in water for some time; spinach, cabbage and carrots were boiled and steamed and the various differences noted.

Spinach lost about 50 per cent. of mineral matter by boiling, only 9 per cent. when steamed.

Cabbage lost 42 per cent. when boiled, only 11 per cent. by steaming. Carrots lost only 7 per cent. when cut up, but 11 per cent. when boiled whole.

Potatoes showed a gain of 15 per cent. when boiled in their jackets, as compared to peeling and then boiling.

Besides these losses of nutrients there was found to be a decided loss in the waste made by peeling both the carrots and potatoes.

Since then it has been found that our boiling methods are very wasteful. I know they are fuel-taking and time-taking when we scrape every root vegetable as we do, declares a writer in the Chicago Inter Ocean. If steaming has been found to be the better way, we should try and steam as much as possible. Several improved steamers are on the market which permit several foods to be cooked over one burner. If we know that steam-

ing is more economical of the foods, and of the fuel also, why do we not steam more and boil less?

### Pressed Veal.

Select a good knuckle of veal or any bony piece which has a large proportion of gelatin. Wipe the knuckle and cut into pieces. Cover with two quarts of cold water, bring it slowly to the boiling point, skim and let it simmer slowly for two hours, then add two bayleaves, twelve whole cloves, one onion, six peppercorns, one-half teaspoonful of ground allspice, a blade of mace, salt and pepper to taste. Simmer one hour longer. Take out the knuckle, being careful to remove all bone. Place the meat in a square mold. Roll all the liquor until it measures a quart, strain and add one gill of lemon juice and pour over the meat. Let it stand overnight before using. When ready to serve turn out on a platter and garnish with curled parsley and slices of lemon.

Jas. Buchanan spent Tuesday evening in Polo.

FOUND. Pair of shoes on Peoria Ave. Owner can have same by paying for ad and calling at 422 9th St. 23\*

#### KEEPS U. S. TENNIS TITLE

McLoughlin Defends Honors. Beating Williams in Three of Four Sets.

Newport, R. I., Aug. 27.—Maurice E. McLoughlin of San Francisco upheld the place of supremacy on the American lawn tennis courts of the Casino here by winning the All-Comers' championship for the second consecutive time. In the final of the tournament the hero of the Davis cup matches defeated R. Norris Williams II. of Philadelphia, 6-4, 5-7, 6-3, 6-1.

#### TERRIFIED BY LEAK: 3 DIE

Woman and Her Two Brothers Perish in Michigan.

Mount Clemens, Mich., Aug. 27.—Miss Sarah Clinsmith, twenty-nine years old, and her brothers, Lawrence and Charles, seventeen and twenty-six years old respectively, all from Detroit, were drowned in Lake St. Clair, off Pearl beach. They were fishing in a leaky boat and when it filled they jumped overboard and sank.

Stranded Steamship's Crew Lands. Wellington, N. Z., Aug. 27.—A safe landing was made by the crew of the British steamship Devon, which went ashore on Wellington Head in Cook Strait while on voyage from Montreal to Wellington.

#### M'ADOO ALLOTS CROP FUNDS

Apportions \$46,000,000 to Be Deposited in West and South.

#### DISTRIBUTED IN 27 STATES

Government Has Chosen a Representative in Each City, Who Will Serve in Conjunction With Clearing House Body.

Washington, Aug. 27.—The apportionment of \$24,700,000 of government deposits to the western states for the moving of the crops and of \$21,300,000 to the southern states for a similar purpose was announced by Secretary of the Treasury McAdoo.

The total amount allotted to date is \$46,500,000, of which \$24,700,000 goes to banks in the fourteen western states and \$21,800,000 to the thirteen southern states and the District of Columbia.

Southern Banks Are First. The southern banks have asked that their share of the funds be deposited in August and September, and those in the west want the money apportioned to them during September, October and November. The money will be allowed to remain on deposit on an average of four or five months. All of it is to be returned not later than next April, and the southern bankers, who got their money first, will begin turning it back into the treasury in monthly installments.

In each depository city the government has chosen a special representative who will serve in conjunction with a clearing house committee of five to pass on all commercial paper recommended as security for deposits, and all paper before being accepted must be unanimously recommended by this committee.

List of Allotments. Following are the amounts allotted to each of the western states, the cities designated as depositories and a partial list of the government's representatives:

Illinois, \$4,000,000, Chicago, J. V. Farwell.  
Indiana, \$1,050,000, Evansville, J. W. Jehme; Fort Wayne, William P. Brown; Indianapolis, William L. Elder.  
Iowa, \$1,000,000, Des Moines; Sioux City, Martin J. Wade.  
Ohio, \$2,100,000, Cincinnati, Franklin A. Allen; Cleveland, E. H. Baker, and Columbus, Butler Sheldon.  
Wisconsin, \$1,000,000, Milwaukee.  
Kansas, \$550,000, Kansas City and Wichita.  
Minnesota, \$2,000,000, Minneapolis, P. M. Kerst; St. Paul, A. M. Peabody, and Duluth.  
Missouri, \$5,000,000, Kansas City and St. Louis, E. O. Simmons.  
Nebraska, \$1,300,000, Omaha and Lincoln, A. S. Tibbets.  
Oklahoma, \$750,000, Muskogee, Francis B. Ette, and Oklahoma City, Hubert L. Bolen.  
Colorado, \$1,000,000, Denver, Richard H. Malone.  
California, \$3,000,000, Los Angeles and San Francisco.  
Oregon, \$800,000, Portland, Henry Teal.  
Washington, \$1,150,000, Seattle, Spokane, Daniel M. Drumheller.

In Handling Matting. Pieces of matting to look smooth when placed on the floor should be matched and lightly stitched together with strong waxed thread. Get a curved upholstery needle, as it sews more easily than a straight needle. It is best to tack the matting in the center at one side, then outward to each end to get it tight along the edge. While a carpet stretcher must be used to get the matting tight, one must be very careful not to break the material. Tacks can be used when stretching must be used to get the matting along the seams to hold it in place while fastening the ends, but they should be removed after the matting is down.

#### SEIZE COUPLE AT CUSTOMS

Officials Find Bale Conceals Sabres and Silverware.

New York, Aug. 27.—Morris Lieberman, a manufacturer of bed springs in Chicago, returned with his wife from a visit to Germany. In a bale of goods he had customs officials found two Russian sabre skins and four silver candlesticks. A search of Mrs. Lieberman's clothing brought forth two silver cake servers and two silver cigarette holders. She also had under a glove a new diamond ring. The Liebermans were taken to the custom house to explain to Surveyor Henry.

#### REFUSE TO RAISE TAX

SENATORS REFUSE TO MAKE INCOME RATE 5 PER CENT.

Committee to Revise Section Levying on Undivided Profits in Business.

Washington, Aug. 28.—Attempts to increase the rate of the proposed income tax on the larger incomes failed in the senate when Senators Borah, Bristow and Cummins led an effort to amend the income tax portion of the Democratic tariff bill.

Senator Borah offered an amendment increasing the graduated tax on larger incomes until it should have reached five per cent. on those above \$100,000 a year. The Democrats, aided by Senators Clarke of Wyoming, Gallinger, Lippitt, Lodge, Oliver, Penrose, Root, Smoot, Warren and Weeks from the Republican side, defeated the amendment, 47 to 17. A more radical provision, with a maximum tax of ten per cent. on incomes of \$100,000 or more, will be submitted by Senator Bristow when the debate is resumed today.

"The man with the small income always pays his tax more completely," said Senator Borah, "than does the man with the larger income. It is much easier to find all of the \$5,000 income than to find all of the \$50,000 income."

Senator Root said the plan to tax the undivided "gains and profits" of all corporations or partnerships would be impossible of administration. He insisted that these undivided profits were part of a stockholder's capital, and not his income.

#### JAPAN STILL "STANDS PAT"

Ambassador Chinda Gives Secretary of State Bryan Mikado's Answer.

Washington, Aug. 27.—Japan indicated her intention of prolonging the controversy with the United States when Ambassador Chinda gave his government's latest reply to provisions and remedies offered from Washington. Secretary of State Bryan was given the reply, which states that "the questions at issue are still open."

Sec'y Garrison at Fort Leavenworth. Leavenworth, Kan., Aug. 27.—Lindley M. Garrison, secretary of war, and party arrived at Fort Leavenworth on a special train. He will inspect the post, the army service schools and the military prison, leaving late in the afternoon for Kansas City.

## ST. LOUIS LINE IS ALMOST COMPLETED

NORTHWESTERN EXTENSION IS  
SOON TO BE PUT IN  
OPERATION.

Stockholders of the Northwestern railroad have been notified that a meeting of the directors of the company will be held next month to consider taking over the St. Louis, Peoria & Northwestern railroad, which is the company's extension from Peoria to St. Louis. The St. Louis extension, which has been under construction for some time, is rapidly nearing completion and will be in operation before the end of the year.

The line, which has been built south from Peoria, was made necessary by the coal demands of the company. Several mines in southern Illinois are either owned or controlled by the big railroad system and for some time it has been necessary to have the Chicago & Alton haul the company's coal from the mines. Upon the completion of the new branch the Northwestern will haul its own fuel by way of Peoria and Nelson.

### Big Earnings.

The annual report of the earnings of the company for the past year is of great interest to all people which the railroad serves, it being reported that both the net and gross earnings for the past twelve months are the largest in the history of the company.

## EIGHT SLAIN IN AUTOS

Machines Containing Families  
Struck by Trains.

Five Lose Lives in Pennsylvania Accident and Four in Illinois.

Pittsburgh, Pa., Aug. 27.—A whole family was wiped out when an automobile in which were J. F. Rowan, aged thirty-five, a steel worker, his wife and two children and his sister-in-law, Mrs. Allen Woodsmith, all of Brackenridge, Pa., was struck by a special train occupied by R. L. O'Donnell, general superintendent of the West Penn division of the Pennsylvania railroad, and officials of the company, who were making an inspection trip at Lane station, Lanesville, one-half mile east of Butler Junction on the Butler branch of the West Penn railroad.

Kankakee, Ill., Aug. 27.—Two people were killed and one seriously injured last night when the Big Four "White City Flyer" struck a large touring car belonging to Jacob Rediger of Chenoa. Mrs. Rediger and daughter were killed and a young son seriously injured. Jacob Rediger and an older son, who was driving the car, jumped and escaped injury. The train was running seventy miles an hour.

Peoria, Ill., Aug. 27.—Turning the car over in attempting to turn the corner at Adams and Eaton streets at a high rate of speed, Patrick Henry Bulard, twenty-five, was instantly killed, and Tom Kowoski, thirty, a Polandier, was seriously injured.

### PLANS TO STOP GAMBLING

Indiana Governor Will Send Troops to Porter Track.

Indianapolis, Ind., Aug. 27.—Two companies of Indiana guardsmen are under orders to descend upon the Porter county race track, where the Mineral Springs Jockey club is promoting a meet, should there be further gambling today.

Last night Governor Ralston, following the example of former Governor Marshall a year ago, directed Adj. Gen. George M. McCoy to order company E of Elkhart and company F of South Bend, both of the Third Indiana infantry, to assemble and await further orders. The troops, it was said last night, would be rushed to the track should conditions today be as bad as they were yesterday. Officials of the Mineral Springs Jockey club continue to deny any violation of the Indiana law and expressed surprise at the report.

Langford Puts K. O. on Flynn.  
Boston, Aug. 27.—Sam Langford scored a knockout over "Porky" Flynn in four rounds at the Atlas A. A. Ten seconds before the bell sounded in the fourth round of what was scheduled to be a twelve-round bout, a right jab to the jaw landed and Flynn went down for the count.

Rathenow.  
Rathenow—where King George broke his journey to Berlin in order to inspect the squadron of Zieten Hussars commanded by the royal bridegroom, Prince Ernest of Cumberland—is a sleepy little market town in the mark of Brandenburg, about forty miles from the capital and only a few from Schonhausen, the ancestral seat and birthplace of Bismarck. It was at Rathenow where Otto von Bismarck, a bearded young Junker, presented himself for election to Prussia's first approach to a parliament. The electors showed their preference by electing the man who was destined to create the new German empire.

## The BARGAIN COUNTER

Merchants to Their Patrons

Engraved Calling Cards.  
Of all descriptions at the Evening  
Telegraph office.

If you have a house or a room for rent advertise it in the Dixon Evening Telegraph for quick results. It will cost you 50c a week, or 3 times for 25c.

Have your accounts placed with Miss Carson, public collector. First class references furnished. Miss Anna Carson, 1209 W. 4th St., or Phone 1015.

No toilet is complete without a box of Healo. Price 25c.

For great bargains in North Dakota lands, write E. A. Wadsworth, Langdon, N. Dak.

For engraved calling cards, wedding or reception invitations do not go to Chicago before you look at our new and up-to-date samples. B. F. Shaw Ptg. Co.

When you go to Lowell park for your picnic supper buy a paper table cover, 1c a sheet, for nice white paper, at the B. F. Shaw Ptg. Co.

You will regret it if you do not take our advice and use a box of Healo on those poor aching, weary feet. It's great.

If you have a furnished room for rent, buy a For Rent Card. Price 10c at this office.

FOR SALE. 2 h. p. Gray motor in first class condition, with new engine and boat equipment. 16-ft launch hull, with or without power. C. E. Osborn, Oregon, Ill. 36\*

Murder Son of American.  
The murder of Eric von Thaden, whose mother is an American, and Arthur Lawton, a British subject, on Eduardo Iturbide's ranch in western Michoacan, was officially reported during the day. The British minister notified his home office.

Lawton was related by marriage to Zella Nuttall, noted archaeologist, formerly of San Francisco, who holds the honorary professorship of archaeology of the Mexican National museum.

The men were employed at the ranch and had a large amount of money for payment of other men. Both were robbed by their slayers, who are characterized as bandits.

Conference on Uniform State Laws.  
Montreal, Aug. 26.—The commissioners on uniform state laws for the United States opened their twenty-third annual conference here today for the purpose of discussing uniform pure food laws, uniform partnership and corporation acts, uniform divorce laws, and other reforms in the statutes of the individual states. Charles Thaddeus Terry is president of the conference.

For Drunkenness, Opium, Morphine, and other Drug Using, the Tobacco Habit and Nervousness. Correspondence strictly confidential. THE KEELEY INSTITUTE, Dwight, Ill.

The basic principle of corset excellency is in the boning. The Nu Bone corset is boned with triple wire stays, rust-proof and unbreakable. Astonishing results in the way of support are thus obtained without the rigidity characteristic to solid steels or the flimsiness common to other wire bonings. Reach me by postal card or call at my house Saturdays. Mrs. Mary Flick, 417 E. Chamberlain St., Dixon, Ill. 23

## Evenrude Row-Boat Motor

This is an exceedingly small compact 2 horse power gasoline motor which can be attached instantly to the stern of a row boat. It will drive an ordinary row boat from five to eight miles an hour depending on the model of the boat. The motor is exceedingly simple.

It makes boating a great pleasure.

See one running at our store.

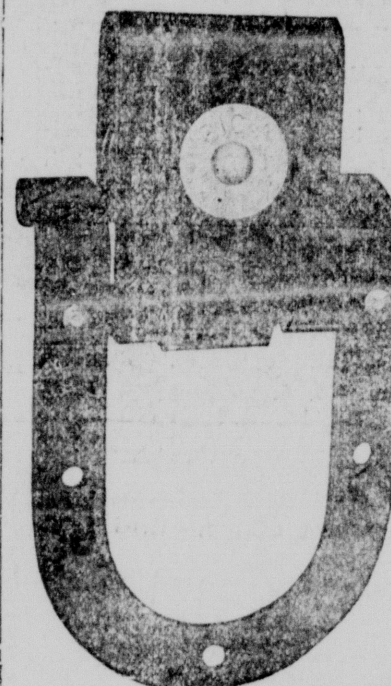

Many persons find that the drug which is found in coffee called caffeine causes sleeplessness and makes it necessary that they refrain from using coffee with their evening meal.
